Once we have your application we will forward conformation of a place, Justgiving setup details and event location.

By registering you agree to the following:

That you are over 18 years of age.

That you are below 15 stones in weight.

Participants who are aged 40 years plus must have a medical certificate signed by their doctor.

You will arrange your own personal insurance.

That you are not aware of any medical condition or other reason why you should not participate in this event.

That you will raise as much sponsorship as possible for the Charity via a Justgiving page. Should the total raised on that page be below £300 on the day of the event that you will pay the difference before being allowed to do the parachute jump.
