

Wishes 4 Kids

Help us make a child's wish come true.

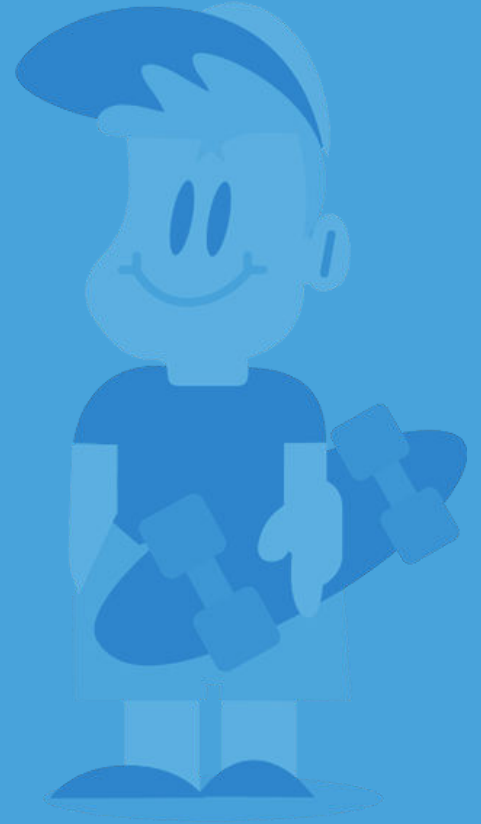

Sadly we do not have a magical cure for the **suffering of these youngsters**, however, we can bring them a short period of respite.

The time when a child has a wish granted is a moment that will be treasured by them for the rest of their life.

The charity has granted over
5000 wishes to date and
are averaging

a wish a day!

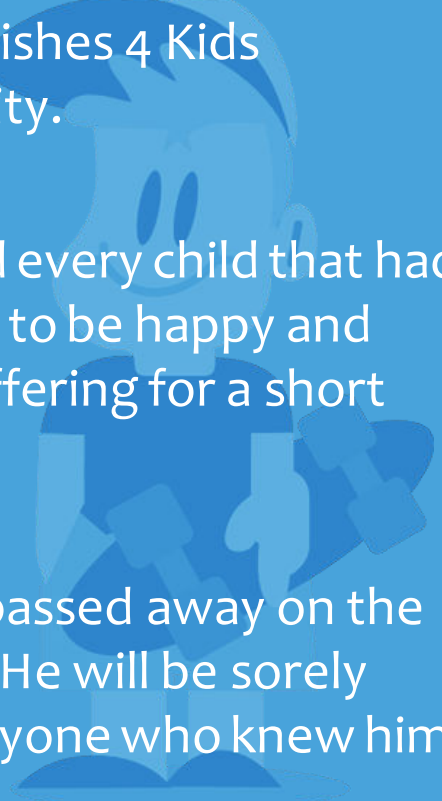

Russell Brickett
Wishes 4 Kids Founder

In September 2002 Russell Brickett founded the Wishes 4 Kids children's charity.

Russell wanted every child that had a wish granted to be happy and forget their suffering for a short time.

Sadly, Russell passed away on the 19th April 2018. He will be sorely missed by everyone who knew him.

Referrals are received from the Police, Social Services, Hospitals, The Diana Service, Schools, Friends and Families.

Wishes 4 Kids

Wish Guidelines

The wish request must be that of the child and not that which the parent/carer wants the child to receive.

The child must be able to choose and articulate the wish for themselves.

Although we will always try our best to fulfill a wish request there are some wishes we do not consider:

- Swimming with Dolphins
- Medical Treatments / Therapies
- Medical Equipment - including Wheelchairs and Specialist Equipment
- Family Holidays
- Disneyland USA
- Any Long Haul Destination
- Room Makeovers
- Garden Makeovers / Landscaping
- Outdoor Equipment – including Log Cabins / Summer Houses / Hot Tubs.
- Sensory Equipment
- Animals/Pets
- Cars/Driving Tuition

General Wish Information

In certain instances it may be necessary for the parent/carer to provide insurance for themselves and the child whilst on the wish.

The Charity does not arrange the supply of medical equipment (including oxygen) for the child whilst on the wish.

Requests where the application has not been fully completed will be rejected and returned.

All applications will be viewed by the Trustees of the Charity to ensure that they meet the required criteria and that one of the three wishes is achievable (based on the financial standing of the Charity at that time) and the acceptance of other bodies/individuals. The majority of the Trustees must be in agreement to the wish proceeding. The Trustees decision on acceptance/rejection of granting a wish is final. Parents/Guardians/Carers will be informed of the decision of the Trustees within fourteen days of the last meeting. The Trustees may approach the specialist/doctors for confirmation of the child's condition and the suitability of the wish.

The Charity reserves the right to use photographs of wishes for fundraising and promotional purposes. If you do not wish for this to take place then please attach your written refusal to the application.
