

WISHES 4 KIDS

PRESENTATION

# Wishes 4 Kids

Russell Brickett  
Wishes 4 Kids Founder

In September 2002,  
Russell Brickett founded  
the Wishes 4 Kids  
children's Charity.

Russell wanted every  
child that had a wish  
granted to be happy and  
be able to forget their  
suffering for a short time.

Sadly Russell passed  
away on 19<sup>th</sup> April 2018.  
He is sorely missed by  
everyone who knew him.

Wishes 4 Kids was created to grant a wish for Leicestershire children who are life limited, terminally ill, have experienced life-changing physical or emotional traumas or have suffered major abuse.

The Charity grants wishes for those of eighteen years and below.

Sadly we do not have a magical cure  
for the suffering of these youngsters,  
however, we can bring a short  
period of respite.

The time when a child has a wish granted is a moment that will be treasured by them for the rest of their life.

Each child is invited to make three wishes – it is then our challenge to make one of them come true.

The Charity has granted nearly 7000 wishes to date and over the last four years are averaging over a wish a day.

Here are a few examples of some of those wishes -

We consider ourselves to be one huge family, so each year we organise trips and special days out for our wish children and their families.

These include pantomimes, parties, theme parks, circus trips and other events that we are invited to.

Wishes 4 Kids is funded solely by public donation. The Charity does not receive Government funding nor financial support from either the National or Health Lotteries.

It is the people and businesses of Leicestershire – people like yourselves – that enable the Charity to make children and young people's wishes a reality.

There have been lots of fundraising  
ideas over the years:

It would not be possible for the Charity to succeed in achieving its goal if it were not for the dedicated team of individuals who work extremely hard behind the scene:

Please help us to ensure we can grant every child's wish whilst there is still time.

Finally - from everyone at the Charity  
but most of all, from the children and  
young people whose wishes have been  
granted by people like yourselves, we  
would like to say

Thank You
